**WORLD BLOOD DONOR DAY**

**BE A BLOOD DONOR, BE A HERO**

*India needs about 4 crore units of blood every year, out of which only 40 lakh units are available. While the availability of safe blood has been a matter of concern in India, the COVID-19 pandemic has further deepened the gaps in blood donation and transfusion practices as voluntary blood donation is becoming rare. This World Blood Donation Day IMPAR is collecting a data of voluntary blood donors across the states. We aim to create and expand the virtual army of blood donors who could be searched and contacted by family or caregivers of the patient. This initiative could minimise the response time and the registered donor could act as a mobile blood bank. Since it is not possible to do any blood donation camp in the COVID 19 situation, we look forward to create the database.*

Indian Muslims for Progress and Reforms

Coronavirus has engirdled the whole world. People are dying due to lack of resources, beds in hospitals and quarantine centres. The situation today has become so vulnerable making India the 5th most hit country that even the last rites are not performed as per their religious belief. Having this fear, many people showing symptoms are not going for the tests. So we are here to take an initiative for those positive for Covid-19 to admit them into hospitals and quarantine centres and the grieved families to help them perform the last rites properly in coordination with the hospital authorities and ulema.

We request the members to circulate the message within their networks to reach out to the maximum. We are seeking NGOs to collaborate with us. Those who are interested to volunteer must contact us on:

Multiple FIRs are also registered. Notice has been sent to the channel by Diwan Associates on behalf of Khanqah Barkatia for slandering revered Sufi Saint Hazrat Khawaja Moinuddin Chisti.

**First Tablighi Jamaat was accused of spreading corona virus and now disrespect of Khwaja Moinuddin Chishti Ajmeri(RA) by Amish Devgan...!**

**Well done Muslims of India, replying hate with love and unity. ... !!!**

**Special story SALIM ALWARE**

Thousands of guests from across India and abroad had congregated at the international center of the Tablighi Jamaat known as the Banglewali Masjid in the Hazrat Nizamuddin area of Delhi. The series of global consultative meetings along with religious sermons had commenced and they were about to expand until the Prime Minister announced a sudden lockdown. Thousands of preachers from the country and abroad were staying in the Banglewali Masjid and due to total suspension of all means of transport including railways, air transport and road transport they had to stay in the Masjid.

Despite reports to the local police and repeated requests for cooperation, no solution for sending the preachers back to their homes was arrived at. As a result, in the next few days, unfortunately many preachers contracted Coronavirus.

Subsequently, our corrupt and bigoted media played a filthy game that makes the soul tremble at the thought of it. The best of God's servants were accused of sinisterly conspiring to spread this virus .

During this period a lot of important events which also contributed to the spread of the virus because of the negligence of the central government including the untimely arrival of the US President Donald Trump in Gujarat, the political game of Madhya Pradesh in which the Congress government was overthrown and a new BJP government was formed, presence of thousands of devotees in Vaishno Devi Temple were totally ignored by the media and only members of Tablighi Jamaat were vilified.

But now the Muslims of India have woken up from their slumber and they have become aware of the Sangh Parivar's tactics and conspiracies of the media. For the first time, Indian Muslims exhibited a strong sense of unity and strongly condemned the media's campaign of slander against the Tablighi Jamaat. Reputed Ulema(Religious scholars) and intellectuals of all schools of thought in the country along with heads of reputed national organizations and madrassas came forward in solidarity with Tablighi Jamaat. They lashed out at the police and Delhi administration for their laxity and incompetency in the whole affair and also called out the media for working as a Sanghi propaganda machinery which propagated hatred against defenceless Muslims.

Meanwhile the nation-wide lockdown caused a lot of distress to millions of citizens across the nation. Ignoring the hate campaign of the media, Muslims came forward to serve the needy with food, water, ration kits, medical supplies and even performed the last rites of the corpses of their Hindu brothers who had succumbed to Coronavirus. They did everything possible to help their fellow countrymen by all means necessary. After all, this is what Prophet Muhammad(PBUH) had taught the Muslims and they succeeded in proving that no matter what the circumstances, Muslims will always be in the frontline to serve the humanity in the hour of crisis.

It was not a long time after the vilification of Tablighi Jamaat that in a debate on June 15th , a sick and evil-minded anchor of News18, Amish Devgan, dishonored and disrespected the legendary Sufi Saint Hezret Khwaja Moinuddin Chishti Ajmeri and India once again witnessed the ideal unity of Muslims. Barelvis, Deobandis, Salafis, Shias, Khojas, Bohras all stood together and strongly condemned Amish Devgan and declared him a threat to the unity and integrity of the country. Multiple FIRs have been registered against him in several police stations of every state and this process is still going on.

The filthy anchor apologized, both personally and on his channel, but it is not possible for the justice and peace loving people of this country to forgive him, because he has attacked a Sufi who is revered not only by Muslims but also loved and honored by millions of Hindus, Sikhs, Christians, Parsis, Jains and Buddhists.

The law will take its course, but the people of this country expect and request the Hon'ble Supreme Court to take notice of the matter and take stern action against Amish Devgan.

62. IMPAR served legal notice to news anchor Shweta Singh and AajTak for insulting and questioning the courage of Indian Army. The notice has been sent by Diwan Associates.

63. IMPAR wrote to Shri Ajay Kumar Bhalla Home Secretary Government of India, Shri Ajit Doval National Security Advisor Government of India, Thiru K Palaniswami Honorable Chief Minister Government of Tamil Nadu Chennai, Mr K Shanmugan Chief Secretary Government of Tamil Nadu, H.E Banwari Lal Purohit ,Hon'ble Governor of Tamil Nadu for the release of overseas Tableeghi Jamaati's languishing across various jails in Tamil Nadu . Though having completed the necessary quarantine and ordered for release by the Hon'ble High Court of Chennai, the release has been deferred by one reason or the other. In this regard, press release was also released and carried by several English,urdu and hindi newspapers.

Dear Sh. Bhalla

We at IMPAR extend hearty congratulations on the successful containment of Covid19 Pandemic in India and the slew of measures announced for the revival of the Indian economy. Among other things, we would like to bring to your kind perusal an issue that concerns the release and deportation of 125 foreign nationals, including 12 women, stuck in lockdown and administrative action in Chennai, Tamil Nadu. Their release has been ordered by the Hon'ble High Court, Chennai (copy enclosed), but the senior State police and prison officials our person met said that there is MHA Order and the release is possible only when the Order is withdrawn or reversed? This kind of question has not arisen anywhere in the country and in all the other States foreign TJ devotees have been deported back to their respective countries. We earnestly

### MY CLEAN NEIGHBORHOOD

Environmental sanitation is a major public health issue in India and a part of the sustainable development goals throughout the world. As a part of introspection and taking responsibility for our surroundings, IMPAR conducted a cleanliness and awareness drive on 28.06.2020.

Our public places, mosques and temples are strewn with garbage, but rather than cleaning these spaces we have been closing our eyes and thinking it is someone else's responsibility to clean. To counter this mindset, IMPAR launched cleanliness drive and the awareness program to take up the responsibility of sanitation, raise awareness about hygiene and cleanliness in our lives and most importantly figuring out long term sustainable strategies towards cleanliness.

The awareness program and campaign was done in Old Delhi and the volunteers covered the area around Meena Bazar-Jama Masjid, Haj Manzil, Jain Mandir, Gauri Shankar Mandir, Shishganj Gurudwara and Central Baptist Church.

The awareness campaign highlighted the importance of sanitation and hygiene especially through the COVID 19 crisis. Most importantly the campaign aimed at behavioral change in people regarding healthy sanitation practices and urged towards public participation in such events. The activities of the sanitization campaign included sanitization, mask and gloves distribution, COVID 19 handbill distribution and making public appeals. The response garnered was exceptional with onlookers asking about IMPAR and the work it has been doing. Many onlookers promised that they would join the upcoming sanitation campaigns done by IMPAR.

The team of the volunteers included Mr Shan-field manager IMPAR, Dr Adil, Dr Aarzo, Mr Akhtar, Mr Shahid, Mr Sohrab, Mr Ayub, Mr Chaudhary Akram, Mr Faheem, Mr Noor-e-Elahi and Mr Shehzad. IMPAR plans to hold similar campaigns in other parts of Delhi in the coming days and urges the non governmental organisations and civil society organisations to take part in the upcoming campaigns. IMPAR urges the citizens to fulfill Mahatma Gandhi's dream of clean India by keeping the surroundings clean.

**IMPAR hails Alld HC order, says those responsible for framing Dr Kafeel Khan on fabricated charges must be punished**

NEW DELHI, Monday, the celebrated High Court judgement clearing Dr Kafeel Khan of all charges under 102A, Indian Penal Code for Provoke and Section 153(A) of Indian Penal Code for promoting enmity between different religions, has been hailed by IMPAR. IMPAR also demanded compensation to the victim for the torture, loss of dignity and suffering caused to his family.

"We call upon the authorities to chalk out steps for safeguarding individual's integrity so that no unprovoked or politically motivated events happen in future," IMPAR said in a statement after the High Court ordered immediate release of Dr Kafeel Khan on the condition that he must appear in court for trial on charges under 102A committed in 2015 and 2016. Pointing out that the Court has held that Dr. Kafeel Khan's speech at the Aligarh Muslim University on September 13, 2015, under the anti-CAA protests, that led to his arrest and detention thereafter, does not disclose any effort to incite violence against any community or the government, IMPAR said it was high time that such legal and politically motivated actions were not allowed to threaten the life of innocent persons.

**IMPAR condemns Bangalore violence, says hurt sentiments cant justify vandalism**

Aug 13, 2020

New Delhi: Indian Muslims for Progress and Reform (IMPAR) on Wednesday urged Muslim religious groups and community leaders to condemn the Bangalore violence as under no condition law should be taken into hands by civilians under the pretext of hurt religious sentiments.

IMPAR expressed serious concern over the way violent mob went on rampage in Bengaluru's Pulakeshi Nagar area on Tuesday (August 12) night, which resulted in the death of three persons.

"IMPAR condemns the vandalism of two police stations, burning of properties and damaging the residence of Congress MLA Ashwini Shrinivasa Murthy. IMPAR also condemns the irresponsible behaviour of those who allegedly started a social media post against Prophet Mohammed. IMPAR urges the religious groups and community leaders to condemn the incident as under no condition law should be taken into hands by civilians under the pretext of hurt religious sentiments," the influential Muslim think tank said in a statement here.

The only way to deal with the hurt religious sentiments is to file a police complaint or take legal discourse. IMPAR appreciates the efforts of the police in bringing the situation quickly under control and also supports the State government for ordering an inquiry into the violence that occurred through the parts of the city, the statement said.

It expressed the hope that the DM led enquiry will bring out "any conspiracies and the role of such elements and organizers who count to consolidate their social and political gains by throwing the society into the flames of fire."

It also praised the action of the city police for arresting the person who posted controversial content on social media.
